The Story:

Last minute booking. I called at 1310 and was told that Eden was available until 1400. Booked half hour as I needed 15 minutes to get there. Quoted discount voucher and the maid asked me to sing it. Yummy yummy yummy, I've got love in my tummy! Oh well, I got a tenner off!

Eden came into the room, didn't know I had a discount so left again to check! Returned dead on half past to commence proceedings. Stood and kissed. I let my hands roam over Edens body. Eden removed her bra, we kissed a little more, then onto the bed. Eden was face down so I went in and started to lick her pussy and rim her arse. All good. I inserted a finger and Eden said I prefer your tongue, so I suggested 69 and Eden was happy to oblige. All good and tasty. we continued for a good 10 minutes then Eden hopped off, grabbed a condom and proceeded with cowgirl and intermittent kissing. From there we went to doggy with Edens shoulders over the edge of the bed, hands on floor. After a few more minutes asked to return to 69 which Eden was happy to oblige. As I knew time was approaching I asked Eden to grip me hard and wank me fast. Felt the pressure rising, told Eden, she wrapped her lips round me and I came loads. As I did, pleased to say that Eden also reached that time too and with a little extra tongue work came seconds later. Genuine. It tasted wonderful. Not one of these that releases a little pee and tries to tell you she's come. A very happy conclusion, bang on time. I left smiling with a spring in my step.
