The Premises:

Basement flat. First room on the left.

The Lady:

Kris opened the door and looked f*ckable in her baggy red jumper. Kris is short and curvy about 5 feet tall and her breasts were discernible in that jumper which has resulted in Kris being added to my HL but she has hardly been there since and when she was it was on days that I was not able to get to Victoria. She showed me into the room and informed me that Dallas was in the shower. After a couple of minutes of waiting I heard Dallas' approach the room by the sound of her heels.

The moment of truth. Did she look as I imagined? Her profile photos lead me to expect a Drew Barrymore look. Instead I was greeted with a young Jo Guest lookalike which was a pleasant surprise.

Dallas was about 5'3" and mid 20s. Not 5'5" and 21 as advertised. No matter she was still one of the prettiest girls I have ever had the pleasure of spending time with – emphasis on spending.

Dallas was wearing white lingerie and stockings, the former showing off her spectacular breasts which were exactly as advertised. Likewise Dallas is a spectacular girl. Kissing was lips only and once Dallas had removed her heels she had to stand on her tip toes to kiss me.

The Story:

Kisses were available on my chest and nipples but I was there to concentrate on Dallas' chest and I had great fun fondling her and sucking her nipples before pushing her onto the bed and licking her pussy. While I was tonguing Dallas I continued to grope her breasts. I enjoyed the feel of her feet on my shoulders and the sight of her tights in my peripheral vision.

Next Dallas gave me a standing blow job and I enjoyed looking at her tits from the side in the mirror as I continued to play with them. After a couple of minutes we got back on the bed and Dallas fucked my cock with her tits. Finally it was time to put on the condom. We fucked in mish for between 5 & 10 minutes before I came in the bag.

Afterwards I cleaned up and left with a hug and a kiss. I looked at my watch and noticed that I was out of the building 39 minutes after my scheduled start time.

I would definitely visit again and I have been googling Jo Guest and comparing her looks with

Dallas'
