Nice flat in Central Milton Keynes, plenty of parking and easy to find.

The Lady:

Ella is tall, curvy with arse to die for. She looks amazing all rounder stunner with a body of goddess you certainly won't be disappointed,.

The Story:

This was my first punt so I was very nervous, but Ella is chatty and made me feel comfortable fast. We talked about what I wanted from our meet which was her to dominate and humiliate me with lots of facesitting and boy did I get what I bargained for. She smothered me with her big perfect breasts I legit could not breathe in there. She mocked my penis, spanked me and gave my balls a squeezing. Then it got really fun, she took her knickers off and sat her pussy on my face and smothered me with it. I was pinned under as I was squirming to breathe she just laughed and mocked me. She made me worship her feet too. The best part for me was when she said my cock was too small to fuck so she was going to fuck me face instead and boy did she. She fucked my face hard rubbing her pussy and arse all over it and made me rim her. I was licking like crazy in hope to get a breather in-between her humping my face. Then she took my cock and started to suck it, I was in heaven under her. She said if I cum she would make me eat it and of course I exploded in her mouth and she spat it back into my mouth and made me swallow it. By the time she was done fucking my face, I was soaked with her by her wet pussy. She really made me her bitch. Ella is an absolute pro at what she does and was eager to fulfil my fantasy. She comes across like a woman who likes to be in charge. I can't recommend Ella enough, she is a must see and solid 10 out of 10.

Was offered a shower afterwards and we had good chat too.
