The Premises:

A very modern 1st floor flat near the Crossharbour DLR station. It was clean inside and the entry was very discreet.

The Lady:

A busty Romanian girl with dark hair and glasses. The pictures are fairly accurate. She was a bit chunky, but definitely not fat.

The Story:

The session was exactly as I anticipated. I was led in to a room where 3 girls were waiting. Brianna was already naked and my eyes were drawn to her large breasts and areolas. I chose her and although her breasts were pointing South they were natural and squidgy. I knew it would be a quick session too, but this wasn't a problem. The session was brief oral with a condom followed by sex from behind. I was quite relaxed and I didn't rush. It still wasn't too long before I came in the condom though. I dressed and left the flat. In all It was about 15 minutes, but I was satisfied.
