### The Premises:

She has a very big single room in a larger apartment. I could here she was sharing it with another girl, and they were having a good time in the adjacent room. The bathroom is shared with a very small shower, she starts by giving a very thorough (not very erotic) shower, where she washes everything with vigor. She was washing my backside when i told her that I'm not interested in rimming.

### The Lady:

She is a very small, quite short about 5ft, older Thai lady with a good toned petite body. I would put her at about 40 years of age, but she is a good looking and I was happy to shag her. Nice boobs, little extra body fat but not Holly/Rihanna skinny, and a small nicely shaped ass.

### The Story:

After the very thorough shower(cleanses I have been in years!)... we played a little bit on her couch where she was eager to please. She did some nice ball licking but her BJ was quite toothy - maybe I was just sensitive from the adventures with Layla the night before. I then moved her to the bed where we fucked in missionary, where her tight pussy got me over the edge in short time.

After Rd1 she gave me what I would consider a professional quality massage - from a skill level it was the best massage I have ever received from an escort. This lead to a bit of fingering and body play, then we fucked in doggy, then anal doggy, anal missionary, then back to her pussy(changed condoms) for the final shot. Quick trip back to the shower myself

I left with my bottle of evian and completely empty balls.
