### The Premises:

Nice flat about 5 mins walk from Bayswater tube stn (right next to Porchester Leisure centre). The bedroom was clean, with nice lighting and had comfortable double bed, and arm chair. The bathroom was clean and the shower had decent pressure and plenty of hot water.

### The Lady:

The photos of Mata on the website are accurate (it was definitely the lady in the photos that greeted me at the door).

Mata is a nice looking Thai lady (I would say in her early thirties). Mata has a nice curvy body (she is definitely not fat), with nice enhanced boobs (which were nicely done), lovely long black hair and a delicate, peachy bum.

### The Story:

I saw a review of Mata on another punting site and she got a good review so I thought I would go and see her. I'm glad that I did.

I was greeted by Mata with a nice kiss and led to her bedroom, where we dispensed with the paperwork and had an assisted shower with Mata, where she gently washed me all over. After Mata dried me off with a towel, it was back in the bedroom for the main event, which started with DFK. Then Mata asked me to sit in the arm chair and she then started gently licking my balls and perineum, which got me rock hard. Mata BJ technique was nice (not toothy like some other girls) and she even did DT. After several minutes of Mata performing oral on me, I asked if she liked having her pussy licked and she said yes. So I licked her pussy, which was cleanly shaved and fresh. After several minutes of this, Mata wanted to perform more oral on me. This time it included rimming, which was nice and gentle. Then we had sex in various positions i.e., cow girl, reverse cow girl, missionary and doggie. After sex (I still hadn't popped), I rimmed Mata and Mata handed me a bottle of flavoured (vanilla I think) liquid to pour on her ass when I was rimming her. I alternated between rimming her and licking her perineum and pussy until she climaxed. She apologised for cumming before me, but I didn't mind this, and I finally came in her mouth (which she then popped to the bathroom to spit out my cum).

We had breather and a bit of a conversation. Although Mata's English is very limited. Mata offered me and drink (bottled water) and also she shared her fruit drink with me as well. After our break, it was back for round two for more of the same. I did not do anal with Mata and to be honest I didn't ask if anal was on offer (as I can take it or leave it were anal is concerned).

In conclusion Mata is a lovely, friendly lady, eager to please and provides a nice adventurous GFE session. I will definitely see her again soon. Mata is highly recommended. Treat her nicely as she is worth it and a lovely hidden gem.
