### The Premises:

The venue was a spick and span apartment in central Milton Keynes near Sainsburys.

### The Lady:

Bunny is Eastern European, 23y, 4' 11", 32C natural, size 6, long dyed bright red hair, shaved pubic hair. She has no obtrusive piercings or tattoos.

Jess is also Eastern European, 20y, 5' 6", 32C natural, size 6, long very dark hair, shaved pubic hair. She also has no obtrusive piercings or tattoos.

Both had good english. Jess spoke it more fluently but Bunny was more chatty. Both were friendly, attentive and engaged happily with their duties. Both smiled a lot and they were clearly used to working with each other.

As usual with AE, I was greeted by a young woman in tasteful lingerie. This was Jess, whose outfit was all red including her high heels. Her lingerie was a one-piece, cut away high at her waist to show most of her lovely bum as she led me to the room. It was quite modest at the top and had ruffled armband type things level with and connected to the top of her one-piece. As we passed the other room, Bunny smiled and made some cheerful comment, while putting her knickers on, topless, having just showered.

When Bunny joined us in the main room, her outfit was also all red, including her high heels. Her bra was substantial as she has good-sized breasts for a short woman. Her knickers were thong-style, with a silvery effect along the top and side straps. She is wearing it in her AE photos, second row, LHS.

### The Story:

We began with some role play. I was a doctor interviewing two nurses to join his sex clinic. We had a T&T interlude where I was a handyman who had been naughty and was spanked by them, very capably but quite gently, nothing harsh, including with two red long-tailed floggers.

What followed is now something of a blur and included the following: facesitting, conventional 69, fellatio singly and combined in front of a mirror. As requested, throughout the fellatio and 69 they went gently without bringing me to orgasm.

Throughout they were happy to kiss, touch and fondle each other in a highly erotic display.

To conclude, Jess sat on my face and I licked her while Bunny sat on me cowgirl, when I almost came and Bunny thought I had. They swapped over, changing the condom, and I came fully to completion in Jess. They commented on the quantity of my spunk.

Overall, this was a brilliant meeting with two pretty, skilled young women who were comfortable with each other and highly skilled in pleasuring me, singly and simultaneously.
