The Lady:

You get the idea from the Twitter account. Not sure when the website pics were done and also they're studio style pics. But don't worry. The reality is fine enough. She is definitely a little pocket rocket. And lovely eyes.

The Story:

Business first after a nice hug. Not too intrusive. Then onto the real business. I'm a little shy and either she picked up on this or it's her usual style, but she took charge and told me she wanted to get me naked and make me happy.

I sure was.

Nice kissing. Sweet pussy - flavour and looks.

One of the best OWO out there. As with all the best girls, what she does is her choice. So be respectful and clean and she'll treat you nice.

The deed was great too and she is flexible with her legs spread so wide. What a sight to behold with all the right noises. Boom.

She can make your day and finish with a nice cuddle and chat.

The walk to the door at the end was something else too. I just watched her ass all the way.

Consider that a free bonus.

This is my first review. Who better to review first than this beauty.

I've seen Gia twice. Both dates were special. Definitely a professional at being personal.
