The Lady:

Exactly like her photos, big firm round ass, narrow waist, nice round breasts. Lovely long dark hair and nice make up with sexy red lipstick.

Julia was wearing sexy black underwear that her gorgeous curves were bursting out of.

The Story:

Once I'd navigated the gate login I went up in the lift and knocked on her door which she opened straight

Straight away standing behind the door and accompanied me to the room.

We sorted out the funds £120 for the hour plus £20 for kissing and £20 for owo all as expected.

She stayed with me as I undressed, I asked if I could have a quick shower and she took me to the nice clean bathroom and gave me a fresh towel. A minute later I returned to the room where Julia was waiting for me, she put some appropriate music on and we immediately began kissing sensually as we embraced. She started to peel off her underwear, I asked her to keep it on for a while which she did and here's what followed:

I sat on the bed as she writhed around on my lap dry humping me and pressing that incredible ass onto my crotch.

She kissed my neck and then down to my hardening cock which she licked and kissed and then took in her mouth, moving between deep throating and sucking the bellend pumping it by making little pops with her lips.

She then got me to lay properly on the bed and knelt between my legs as she carried on sucking before working down to lick and suck my shaven balls.

Her licking intensified and she moved down to my perineal which felt amazing, all the time her fingernails were tickling my balls and undercarriage.

This went on for a good ten minutes in which she started pushing a finger against my asshole, I signalled approval and after a bit of lube she slowly slid a finger in as she wanked and sucked my cock. I told her when the fingering was too much and she withdrew.

I stood up and she went in doggy position with her knees together as I licked out her ass and buried my face in those firm cheeks.

After much ass worshipping I lay back down and she sat on my face to smother me whilst sucking my cock.

After more embracing cuddling and kissing it was time to fuck.

Condom on and she sat on my cock lapdance style

Soon I stood and she lean forward to hold the wardrobe as I stood and pumped her from behind.

We span round to the bed so I could properly doggy her all the time she was telling me how good and big I was.

I slid out to the tip and slowly slid back in as she gasped. I fucked her like this for a while and after 5 or ten minutes I came and just kept cumming for a good 30 seconds. Half an hour gone..

After a clean up she gave me an invigorating massage until I turned over and she cuddled up to kiss me

Soon she moved back down to give me more heavenly ball sucking and wanked and sucked my already hardening cock as her hair draped over my torso. As she sucked she kept looking me in the eye and I stroked her gorgeous face

More face sitting kissing and cuddling and Soon it was time to fuck again and we did the following:

Lapdance style fuck

From behind against the wall

Doggy on the bed with me standing

I placed one foot on the bed, leant my elbow on my knee and slowly with drew to the top and slid back in faster and then continued to fuck her like this and she really got into this begging me to keep fucking her and pushing her round ass up the the air as she pressed her chest into the bed.

I put my other foot on the bed so I could fuck her really deeply, she sound like it hurt and I asked if she was ok and she said yes, you're big dick is so good!

Spoons

Reverse cowgirl

Missionary whilst kissing sensually before I leant back and pulled her legs up on my chest and then down to her sides

The climax so her get on top of me and ride my cock so we'll as we kissed and then she realised I lover her breathing in my ear as she told me to fuck her and got more and more excited. We fucked in this tight embrace for ten minutes and then I came once more - 6 minutes to go. After a quick shower, as I was getting dressed Julia brought her friend mica in a sexy little Brazilian red head and said that if I come back on Sunday I can fuck them both - very tempting.

Kisses all the way to the door.

I'm enjoying this influx of Brazilian girls we've had in recent years!
