The Premises:

Their newer place in Fenny Stratford. A short walk away from the well-known car park, down an entrance off a main road & opposite some industrial units. Not the most discreet surroundings but the door was answered relatively quickly...

Inside it's a well-kept, spacious & modern development over two floors. It appears each room has en-suite facilities, I didn't use mine but it looked spotless.

The Lady:

Lexi looks like her photos, an attractive brunette woman with a lovely curvy figure & a great smile. Big natural breasts & a nice bottom, soft skin with no ink or piercings. Clean & fresh all over. Not my first visit to her so I knew what to expect & wasn't disappointed.

The Story:

Greeted by the friendly maid, shown to the room & offered a drink. After a short wait, Lexi knocked at the door & came in. We sorted out all the necessary arrangements & then got down to the enjoyable part of my visit. The following hour flew by & was filled with all sorts of intimate & passionate activities which will remain in my memory for a long time. Lexi does a lot of things that I like, & she does them well. Was lovely to see her again, would definitely recommend
