The Premises:

Comfy flat in The Hub, Central Milton Keynes

The Lady:

Absolutely stunning and slender with smooth soft demerara skin. Jess and Bunny have bodies to die for.

The Story:

I've met Bunny once before. Absolutely wanted to see her again. Got lucky when I called and asked if she was free. When Jess was mentioned I remembered a previous review for this duo. So Bunny and Jess it was.

When they walked into the room I could only say "Oh, wow".

And wow indeed. Kisses and cuddles and utter sweetness from both. Double OWO from the off with a girl wrapping her tongue around from the left and right, giggling and moaning away.

Their skin, so soft to the touch, was irresistible as was the taste of RO.

Both girls in turn. First Jess who sat on my face followed by Bunny who kneeled over my face while placing her hands against the wall and lowered herself down on my tongue.

Then it was cowgirl, Jess then Bunny. Tag teaming me. These two work well together. It wasn't fully 2G interactive but lovely nonetheless. If you can hold on long enough just from the mere sight of these two then your on for a very special time.

I could have stayed all day but I knew I poorly invested in only 45 mins so decided on a mish finish with Bunny while kissing Jess on the mouth and breasts.

Two beauties in looks and spirit.
