### The Premises:

Open door way on a main road. It's all about darting in discreetly, but well worth the effort. Simple decor, basic but adequate rooms. But not here for the rooms. Once in greeted by the maid and sent to a room.

### The Lady:

Lilly is a cheeky milf. Her body is petite and lean and in great shape could pass for the body of a woman in her 20's. Lilly has brown curly hair and a cheeky smile and a voice that reminds me of Elisa Doolittle. Lilly has perfect perky little tits, but beware she has very sensitive nipples that she does not like sucked. Lilly has lovely toned legs and a nice tight little peach of an arse. She is pretty and loads of fun, the sort of milf that many a teenage boy would fantasise about living next door to and perverting on her whilst wanking. The photos on the site are accurate but don't really capture her appeal.

### The Story:

After given a choice of ladies I opted for Lilly as she is my type and oozed fun. Once decided on what we would get up to we got the paperwork out the way and I stripped off. Lilly removed her bra to reveal her perky little tits, what a sight! Lilly gave a thorough and very professional massage with oil, really working out my knots. We had great banter throughout the session, Lilly is very cheeky! After some deliberate brushing of my balls I was offered to flip over. Lilly took off her panties to reveal a perfect smooth pussy. Lilly ran her hands over me and licked my nipples delicately. Next on with a rubber and some great oral.

The thought of that perfect little pussy got me hungry to taste it, so I asked Lilly to 69 me, which she willingly obliged. She tasted great! She cheekily remarked how I got bigger and harder in her mouth as I was enjoying her pussy. Lilly removed her boots and climbed on top of me and guided me into her pussy. She rode me like a pro. Now I was ready for the main event, Lilly's perfect arse. Lilly willingly got on all fours, the sight of that perfect little arse and a beautiful pink little hole was divine. Gently pushed the tip of my cock head into her arsehole and watched it envelope my cock head, fantastic. Lilly let out a little moan of pleasure. Slowly slid my length in until I was balls deep and Lilly was good to go. I fucked that perfect arsehole, pumping hard and deep, grabbing Lilly's hips and tits as I banged away. Lilly asked for it harder so I went at it hammer and tongs with a great

view of her jiggling tits in the mirror, and that exquisite pink arsehole gripping my cock. I went at it for some time as Lilly really seemed to be enjoying it. Lilly was encouraging me to go harder and faster, and as I got a good rhythm going she started to beg for me to cum in her arse. How could I resist? Shot my load deep up her arse what a joy!

We chatted about many things, Lilly admitting that she hadn't had a good arse fucking in ages. I was offered the use of the shower next door which I willingly took. Lilly looked after me with towels and as I was drying myself off the maid came into the room and got an eyeful which Lilly and I found amusing.

Lilly is a really good punt, and has a beautiful, petite, perky body and one of the best arseholes I have ever had the pleasure of fucking. She is cheeky and fun could have spent all day and night with her.
