The Premises:

Nice flat in Paddington, easy access from tube. Clean, bright, good shower. Unscented products in shower, hurrah!

The Lady:

I mean, this is silly. She is ridiculously pretty, far better than her glam photos. Petite, lots of blonde hair, beautiful face, fit golden body, blue eyes to make you cry. Might be the single most beautiful girl I have ever been with. Just a wow.

The Story:

So, Bijoux looks expensive on the surface, but if you are going for a longer booking, the prices rapidly become reasonable. Booker is wonderful.

Jessica answered in a smoking hot club dress, and after I showered was down to tiny lingerie very fast. She is so pretty it is almost distracting; certainly distracted my little man.

Therein followed a long makeout session of LFK, into DFK, where I just lost all track of time. Really good kisser, body to body, hands roaming. She moved to BBBJ, which was awesome, looking into those amazing blue eyes. Then I went for some DATY, which she seemed to quite really like. Eventually the cover came on, and we went through as many positions as my old body could handle. Finished enormously satisfied.

All through the exercise, we talked. We talked about her, we talked about me, we talked politics, finance, all sorts of stuff. Just wonderful.

This was an all-time great experience for me, and I hope to repeat it when next I come to London. She recommended I try Eva and Kiran as well, so I have that to look forward to.

What a peach of a lady.
