The Story:

It has been a very long time since I last visited, my back ached, my shoulders were tense and I needed some help to remove the stress and tension.

Wow, Kyle immediately put me at my ease and I was feeling good almost instantly.

We chatted away, covering a whole range of subjects, whilst she worked on my upper body and then moved down.

She worked the muscles really well.

The sensual massage was outstanding, I felt much better as a result of the session.

A very happy ending

I look forward to returning.

Kyle, I hope you make it to Plockton one day and in the meantime enjoy your days off watching the boats and ships go by
