The Premises:

Don't follow your satnav, you will never find it! Just follow the directions given.

The place is clean and comfortable.

The Lady:

Mixed race, slim, and very large breasts. A boob job done a while ago. If you like big boobs, then you will like Sherri. Long hair, mixed race and sultry looking.

The Story:

Warm and friendly from the beginning. which was good, because I didn't know what to expect in just 20 minutes.

Kissing, caressing, I was already naked when she came into the room, and Sherri stripped off to reveal those wonderful boobs.

Got to the action quickly, and it was good. Oral, bonking, cow girl, missionary, and doggy.

A really nice girl and a great 20 minutes. Next time it will be longer and I'll try Sherri's massage.
