### The Premises:

Out of the main three parlour's in Crewe, Alicia's feels the most in need of some work inside. Outside, still good links for the bus stop outside, the car park opposite or the street. The front way is well maintained, the back is slightly odd as there is a hole in the ground has been filled with a mat and upon leaving the gate sometimes there's a heaving wheelie bin there as well. However, back to inside, it's still very clean and the receptionist - a plus compared to the other two - respects the privacy of the client so they don't see each other. The rooms could do with a spruce and the showers could be better but, unlike one of the other parlours, the showers do work nearly all the time.

### The Lady:

The pictures on the website don't do her justice - mid to late 30's, black hair, gorgeous lips and athletic body with a sexy pair of legs and rear. Sexy Liverpool accent, down to earth personality and pretty game for anything really except anal (a common thing though).

### The Story:

Zara is a lady that knows what she likes and likes what she knows and, if she knows what you like, she goes to make it happen! She mentioned she had some sensitive areas which is worth mentioning because they make her comedically crack up which can sort of break the motion and mood but overall her skills in the bed combined with her gorgeous self make it all the worthwhile. Outside the bed, she's friendly, chatty and has the personality that she isn't going to be offended by most things. Her figure is the sort that would stand out in a nice dress, curvy and smooth, but the main asset is she is game for most things and her personality means that her roleplay skills are really good. I can see why she's really popular, sometimes it's hard to get a booking because most book in for a while with her but definitely worth a visit.
