The Lady:

Eleven out of ten. Absolutely my idea of a perfect figure. False boobs but they work so well. Lovely smile, beautifully soft skin, shy slightly coy demeanour. Age...I have an idea but I'm not gonna say here. It hardly matters for me with Millie anyway.

The Story:

This lady has gone straight into number one at the top of my Annabellas 'pops'. I have enjoyed a better connection with a few of Annabellas other stars, but non have 'done it' for me quite like Millie did. She is top shelf wank material for this old fella, I mean that in the most complimentary way. I'd love to get to know her better, but she is understandably reluctant to open up too much and it would be very presumptuous of me to expect anything else.

The sex? A prolonged period of 69 followed by a longer than usual period of cowgirl and then reverse cowgirl. My timing was good, even if I say so myself, I got every penny's worth out of my time spent with this sensationally sexy lady.

See you again pretty girl xx
