The Premises:

Well known pretty discrete flat. Jokey friendly maid kept me eat watered as I waited in the kitchen (another guy stashed in the loo) like an old fashioned comedy farce. Essential floor standing fab kept things cool. Big comfy bed.

The Lady:

Blonde MILF, finely chiselled face with pouty lips, big grabbable boobs. She's incredibly sweet and friendly.

The Story:

God can Tammy kiss! Non-stop snogging which was incredibly sexy, loved the way she handled my cock, really 'knows' how stroke, squeeze, play with knob, shaft and balls. Fabulous covered oral - we both prefer covered as it happens. Sweaty, moany fucking, her on top, me on top, happy explosion, passionate full on kissing throughout. Interesting chat after, about her life, this being her 5th day in the business. Asked for a handjob - the first to ask her she said, which she provided skilfully with loads of lube. Fancied moving to shagging, me on top, came noisily. Best thing about Tammy, apart from the sex and fantastic kissing, is that she's so damn nice, a real sweetheart, friendly and charming. Be nice to her!
