The Premises:

I've been to Annabella's a few times so know where it is. But it's easy to find and has great cheap parking and all of the girls are friendly. On this occasion there were two girls I thought about seeing as I was offered a few. Anna and Carla stood out but it was Anna I spent the time with but may need to go back and see Carla.

The Lady:

Anna is Polish, all her specifics are on Annabellas website and I believe them to be correct. A Very Slim Lady with pert breasts and very tight down stairs!

The Story:

Anna was very friendly but it didn't take long for her to be on her knees giving me OWO (she asked if I wanted with or without) she worked hard on my cock for what seemed an age but I really enjoyed. She kept her short skirt on and nothing else whilst doing that and I liked the feeling of putting my hard up her skirt.

Then I asked her if she had a favourite position, she said she didn't but started with her on top. She's really tight and got wet quickly after the girth of my cock so after he popped out a few times we switched positions.

I was then on top of her and wow what an experience. I got my cock nice and deep and she wrapped her legs around the back of my legs and it felt amazing. Once we got into the swing of things we really got the bed knocking against that wall and I got maybe a little too excited and started doing it quite quickly. I'm not sure if her moaning was real or not but it certainly sounded like she was enjoying it as much as I was at this point. With her pussy being tight it really didn't take that long to blow my load...I actually wanted to keep going but I stopped before my cock got too soft.

All in all I would thoroughly recommend you give Anna a try if you haven't before.
