### The Premises:

Flat near shopping centre with plenty of cheap parking.

### The Lady:

Jess: They don't call her 'the body' for nothing! She is so much more though - warm, friendly and really knows how to please!

Bunny: Gorgeous, beautifully petite slim and soft body, so smiley, playful and fun!

### The Story:

I've met Jess a few times before and Bunny once, so knew I was in for an amazing time for my first ever threesome.

I was welcomed at the door by Bunny and asked who I was meeting, I replied and Bunny immediately gave me a cheeky look and smile, then rubbed me through my shorts - what a welcome! Jess appeared from another room and greeted me with 'Hello stranger, where have you been!' It seemed we were all excited for the next 90 minutes!

Shown into the room and waited a few minutes for them to finish getting ready.

In they came, looking stunning and full of smiles and enthusiasm from the start. The three of us standing there cuddling, caressing, and amazing kissing - switching between of all three of us and each other. They're two of the best kissers out there!

Onto the bed for lots of action - Jess and me giving Bunny attention, then Jess's turn for Bunny and me to pleasure her. I received plenty from them together before Bunny hopped on for sex. Pure bliss with Jess up close next to me too.

A bit of recovery time with some lovely relaxed conversation interspersed with kissing and caressing. Two beautiful ladies either side of me taking in turns kissing me and each other. This all warmed me up nicely for my turn on top of Jess. After a while I asked her for a 'Jess speciality' - she knew exactly what I meant and gave me her best cowgirl moves, I was in heaven!

The interaction and energy between them was unbelievably sexy, they clearly have an amazing bond and work so well together. The whole encounter was the perfect combination of fun and pleasure.

I'll definitely be back to see both Jess and Bunny individually, and together again - the only decision is in which order!
