The Premises:

One of the usual establishments in MK - this one was by the shopping centre with plenty of easy parking. Clean rooms with shower facility and friendly maids make booking process so easy.

The Lady:

Bunny - Little pocket rocket with fire red hair which looks incredibly hot. Bunny is flirtatious, enchanting, naughty and very sexy. A perfect combo, really fun, makes you feel at ease but also can fuck your brains out :-)

Jess - The perfect body - 11/10 bum and perfect boobs. She is captivating, beautiful, seductive and hot as fuck. A complete knock out of a lady who will have you coming back for more, again and again.

The Story:

I have seen these two ladies together and individually a number of times because they are on a completely different level. This time I thought we could mix it up so I brought a vibrating strap on and a clit suction pump with me to spice up the hour even more.

There is interactive FFM and then there was this!

DFK with both girls at the same time always an absolute pleasure. We then moved towards the bed, I lay kissing Jess whilst Bunny gave her oral. So sexy to watch - switched about so then Jess returned the favour and they took turns with the sex toy until one of them reached climax, seriously horny to watch before we then moved onto the spit roast...:-)

Watching Bunny fuck Jess from behind whilst Jess gave me oral and then Jess riding Bunny whilst giving me oral was absolutely off the charts. Still makes me smile every-time I think about it.

What followed was some unbelievable double OWO with some very sexy eye contact, teasing by both, followed by cowgirl and double kissing which finally brought me to the end of no doubt one of the best hours I have had.

It was so much fun, the girls are an absolute pleasure to be with, sexy as fuck and will give you the time of your life.
