The Premises:

Parlour in a residential area. Outside looks like a closed down shop front, discrete entrance at the back. Inside the house has a lounge area and 3 rooms decorated for the job. Nice big beds and lots of mirrors.

The Lady:

Cute blonde with lovely enhanced lips and an all over tan. Wearing sexy underwear and a big smile. Just like her photos, I was turned on the moment I saw her.

The Story:

My first trip to the lodge and having seen such good reviews of the place and the 2 girls on shift I decided to book half an hour with Sienna followed by a break then half an hour with Zara (separate review of Zara to follow).

The maid showed me in and I stripped down to my shirt and boxers and waited a couple of minutes. The door opened and this gorgeous girl walked in with a big smile. We kissed, I gave her the money and we started kissing and cuddling on the bed once I'd removed my shirt.

After discussing what sort of session we'd have Sienna suggested me undress, I stood up and helped her peel her underwear off whilst getting a handful of those sexy curves. Sienna dropped to her knees and said "are you ready for the best blowjob of your life?" She slipped my boxers down. Her eyes lit up when she saw my hardening cock and she immediately began kissing and sucking it. As Sienna licked my shaved balls and kissed the shaft I looked down and enjoyed the sight of my cock being worshipped by this little sex bomb those full lips felt amazing treating my rock hard cock.

Sienna took the head in her mouth and started sucking it deeper and deeper. I asked how much she could take and she began deep throating. After couple of goes she managed to take all 7 inches and pulled back out proudly announcing that she doesn't have a gag reflex. We took it to the bed and Sienna kissed my lips, neck, chest and down to my cock. She spent a long time kissing and licking around my inner thighs and my balls as her long finger nails gently caressed my thighs and over my chest. I lay back enjoying this perfect experience as the electric fan blew cool air over us both. Next I got Sienna to lay back whilst I kissed her all over licked her nipples and worked my

way down, kissing her inner thighs. She asked me to put my tongue inside her but politely asked me not to touch her clit as it's too sensitive I asked if I could blow on it and she said yes, she responded to my blowing by squirming with pleasure and likewise when I licked her pussy. She said I could finger her and sucked my middle finger. My word this girl likes being fingered. She was soaking wet and grabbed my hand to make me finger her hard as she moaned and gasped and pulled her knees up to invite me in deep. I felt her tight pussy pulsate as she got more into it.

After a while I lay back down and Sienna got back to work sucking my cock. She was really horny now and spat on my cock and kept sucking. I said, "Zara's going to have to lick all that spit off" Sienna smiled and said "she won't mind and spat a big load onto my shaft and licked it all around my balls so she felt delightfully soaked.

"I really want to ride your cock" she said we put a condom on which fit really tight "are you sure you don't want a king size one?" Sienna said and I said I'll be ok, she climbed on and as she slid me deep inside her she gasped with pleasure and kissed me as we screwed and she kept telling me how hard and big my cock was and how much she loved it. I sat up still inside her and she wrapped her legs around me as I sat on the edge of the bed and we kissed and embraced. I could see her back in the mirror and she looked incredible fucking me like this. Soon I stood up and fucked her in mid air for a few seconds before spinning round to fuck her missionary.

We fucked like this and kissed for a few minutes before I leaned back and she lifted her knees up and tilted her hips so I could fuck her deeply (just like she is in one of her onlyfans photos). I kept fucking her like this and we must have done some other positions as we ended up on the other side of the bed with me fucking her like this before pumping 3 days worth into her.

The condom was full when I pulled out. We chatted about her porn films on onlyfans which I had to go and look at and when I would see her next. We dressed and she took me back out to chat with the made where I saw Zara.

Sienna have a lovely combination of girlfriend experience and pornstar experience and really enjoys her work. The first phase of this visit was a great success. See my review of Zara for the details of the second...
