### The Premises:

Discrete premises in a residential area with a rear entrance so you're not overlooked when at the door.

Inside there are 3 bedrooms, the one I went in with Zara has ad a big four poster bed, a sofa and lots of mirrors with low sexy lighting and dark bed clothes. Above one large full length meter wide mirror are a couple of chains with leather wrist straps hanging from the ceiling.

### The Lady:

Zara is absolutely gorgeous. She looks far younger that 37 and has a killer body. Lovely long blonde hair nice make up and a gorgeous smile. She was wearing black sexy underwear and looked dynamite.

### The Story:

This was the second part of a Double header visit to the lodge. I've seen sienna for 30mins earlier (see separate review) and I'd arranged to wait in the lounge for half an hour before this session with Zara.

I glimpsed Zara as I left my session with sienna and she said "ooh hello", I said "I'm seeing you very soon" and she said "I know and smiled"

The maid Lou had let me pop out for a cigarette and we chatted about the industry whilst I had my break and Zara was with another client. At one point Zara called her in for a "watch" a few minutes later Lou came back and explained that them offer a service where she or the other girl come in a for the end of a session for £20 to watch them finish off and talk dirty to them.

Sienna popped back in a couple of times as they had a time waster texting saying he was outside when he wasn't. Must be a real pain constantly dealing with those arseholes.

10mins or so after Zara's client left, Lou went to check on her and came back to say she's nearly

ready so I went to the room stripped to my boxers and shirt and awaited Zara.

Zara came in smiling and we kissed. I gave her the money and she started snogging me. Zara is a wonderful kisser and loves to tease with her tongue. I apologised for my cigarette breath and she said it's fine and that she can't taste it.

On the bed we kissed and cuddled and zara slipped her tongue in my mouth. Zara is a wonderful kisser. She has a small sexy tongue and full soft lips and she teases and softly kissed me as if we were real lovers. We agreed to lose our clothes and stood up to undress. I had warned her it may take me a while to get going having been drained by lovely Sienna 30mins before but I needn't have bothered as Zara had already had an effect and my cock was semi when I pulled off my boxers. Zara and I stood snogging and I groped her lovely arse, I sat on the bed and she turned around and wiggled her arse on my lap before joining me on the bed.

Zara kissed me and worked her way down to my cock. I warned her it was covered in Sienna's spit but she said there are far worst things to taste than that and sensually kissed and licked my rock hard cock and balls for a good 10minutes. I couldn't help but comment on how beautiful zara is. The sight of this goddess worshiping my cock and licking me in the eye as she goes from sucking to tenderly licking and teasing every inch it as well as licking and teasing my balls was sublime.

She said "do you want me to sit on your cock now?" I said "I want you to sit in my face first" and we moved to 69 and I enjoyed her arse cheeks planted on my face as I licked her clit and she carried on licking my balls. Soon we decided we needed to fuck and zara put the condom on and climbed on top.

Slow and sensual as per the whole session zara acted like she was enjoying every moment and slid slowly on to me, kissing me and teasing me with her tongue after a few minutes of lovely kissing and screwing she leaned back so I could see her in all her glory, again pinching myself for how gorgeous she is. I swung my legs to the edge of the bed and sat up so we could cuddle and fuck at the same time and then stood up to fuck her in the air before turning her round to screw her. Missionary on the bed, just like I had with her friend Sienna earlier. We kissed and fucked like this for ages. Zara kept licking my ears and breathing and moaning in them which felt incredible. I whispered to her "do you want me to take you from behind" she said yes"yes please take me from behind, where do you want to do it?" I suggested the sofa and she agreed. The only problem was fucking her in missionary was so nice it took me another 5 minutes to find the will power to pull out to move position. I pulled out and held Zara's hand to help her up which she did gracefully and smiled and said "thank you sir" before leading me round to the sofa in the other side of the bed.

Zara got on the sofa and put her elbows on the arm facing a mirror that was angled away from us. I put one knee on the sofa and slid back into her. Zara felt perfect as we fucked like that and I realised that although the mirror wasn't facing us, I could see our profile in the mirror on the other side of the wall and as I looked at that Zara could look up at the angled mirror and I could see her stare back at me from the one across the room. She looked perfect. While we screwed I played with her long hair, moving it from hanging down in front of her to draping down her sexy back. a while we decided to fuck in front of the big mirror, standing up. Zara held onto those chains and grinded back on me as I cupped her breasts in my hands. She still had her heels on so I could easily slide behind her and fuck her deeply as she looked me in the eyes through the mirror. After a few minutes of this we span round to the bed so I could fuck her in a more traditional doggy style holding her hips and placing one foot on the bed to allow her to push back deep. Zara was making alot of moans of pleasure and pushed her chest down on the the bed raising her arse in the air to invite me to fuck her deeper. I slowly slid my cock out almost to the tip and then hard back in and gave her. Good fucking like this as my hand ran down her back and pushed her down into the bed. She slid forward so she was lying prone and then we moved to spoons and kept fucking like this for a while. I slid out and stood up to decide which position to try next and Zara said "shall I suck your cock again?" I agreed and she slipped off the condom and dropped to her knees. A good 5 minutes later Zara had kept me rock hard by once more licking kissing and sucking my balls and my stiff

cock. Back in the bed and more of the same. I said we had better fuck again so I can cum and asked how long left. Zara didn't know as she was definitely not clock watching so I checked and we had just 5 minutes left. Condom back on more missionary but with Zara's knees up high and then her calves against chest before I turned her halfway ti spoons and promised to concentrate on cumming. Zara was using my name and begging me to fuck her and eventually I came and stayed inside her until every drop had gone. We chatted as I got dressed and she took me to the door at the end of what I can only describe as a perfect half hour with an angel, the second part of a wonderful afternoon. I will keep my eye out for these two together on the rota again. And maybe next time I'll ask sienna to come and watch.
