The Premises:

Not been to Soft Touch before. Easy to find & park. Impressed by the establishment, all very clean, tidy, well run. Lovely lady on reception to greet you. Just got the feeling they care about their staff & customers (unlike some other parlours).

The Lady:

Well..what can I say. When I check out a lady on the website i usually assume the pictures are a little, embellished shall we say. I found with Carly it's actually the other way round! In the flesh she's a very pretty lady with a stunning figure. But, her beauty is more than skin deep, she's a really happy person who makes you feel comfortable to be with.

The Story:

I'm becoming a real 'infrequent flyer', down to about 2 visits per year. I struggle to find the right age group lady, preferably with a good review to boot. So, not having 'flown' for 6 months alot was riding on this treat. I needn't have worried. Carly made me feel comfortable from the first minute (as did the reception lady too). After a lovely massage we were into round 1, with what I can honestly say was the best bj I've ever had. I won't go into all the ins & outs.. I think Carly has set a new bench mark, for me, on a par with the all time legend Sally (now retired) ,which is high praise indeed. With Carly at Soft Touch, the 2 combined are just about perfection - in my opinion. Certainly not going to wait till Christmas to go back!
