The Lady:

Tall, slim, beautiful, with long, curly dark blonde hair, with a lovely, kind face. Her website photos go some way to conveying her beauty but not her magical physical presence :-)

The Story:

I was quite nervous about meeting Shelly for the first time, but I need not have worried - she put me very much at ease and we got on so well whilst having drinks and dinner that we could have talked on all night (it was nearly midnight anyway when we retired to my room!).

Once back in the room, she changed into a dark silky dress and we had a wonderful sensual night of fun. I won't go into detail, but we both enjoyed ourselves totally, and I only wish it could have gone on through the night, but we needed some sleep! Suffice to say, I was very saddened to have to let her go in the morning.

Would I see her again? No doubt at all.
