The Premises:

A clean first floor flat around 10 mins walk from Victoria. It is central London so parking restricted.

The Lady:

The pictures on the website give a really great idea of what to expect. But in the flesh Mixy is even better. Very pretty with big handfuls of tits and arse, a flat stomach and a small but perfectly formed frame.

The Story:

Started with a friendly welcome and, having checked I was OK with kissing and OWO, hit me with a deep kiss hello before moving us in front of the full length mirror. She stood facing the mirror with her back to me and encouraged me to take off her underwear and start grabbing her important bits while she rubbed her arse on my cock.

Soon she asked me to get on the bed and slowly moved down my face, neck and nipples and then started gyrating on my increasingly rigid cock while I sucked her nipples. She then gave very deep oral. Paying attention to my balls.

It was now time for sex so on with the condom. Started in missionary. Felt very sensual. She spoke about finding a connection and I certainly felt it. Real chemistry. She went on top before I finished in doggy.

There were a few minutes left so she gave me a lovely massage.

She was brilliant. More than just the physical she is clever and funny. I really could not recommend her more highly and I will return.
