The Premises:

As reported before. Shower a bit iffy, but did work well enough. Rear entrance, quite discreet. Nice big room, clean, porn playing on TV.

The Lady:

Looked like I expected from the photos online. Attractive, lovely body, nice tan (almost all over!) and plenty of tattoos - I like them but be aware if you don't.

The Story:

Fantastic! Aleesha came in as I was drying after the shower, and immediately stripped off the one piece she was wearing to show her fantastic body. She came over and immediately started some lovely dfk. Kept this up for a while. She has super soft lips, and really kisses well. Onto the bed, more kissing and hands started to stray to mini me. Then Aleesha started her trademark blowjob ... OMG. Definitely no gag reflex, and she really gives it everything. Certainly one of the best bjs I've ever had (and that's in 40+ years punting) if not the best. Moved onto 69, then some clever use of her body to continue the stimulation - I can't describe what she did, you have to experience it. That brought me close and I asked for CIM - of course she said. It didn't take long to cum to a glorious conclusion!

Spent the rest of the time lying together and chatting - she is so open and easy to talk with.

Definitely not a clock watcher either.

So overall, an awesome half hour. That will stay in the memory for a very long time. Go and see Aleesha if you can guys - she is something else.
