The Premises:

Narcissa has a nice and easy to find flat in Earls Court. It's cosy and comfortable with good facilities. Not right in the centre of Earls Court, it's in a more discreet part.

The Lady:

I've seen Narcissa before, and that's what prompted me to book her again. It was a few years ago however, but I can honestly say, apart from her ass getting a little bigger (and I mean a little), she hasn't changed a bit, or aged a day! This woman is incredible for a more mature escort. Slim figure, great boobs (perfect size). She looked great the last time, and she looked great this time. Difficult to say how old she is, but I would guess that she's in her mid thirties in all honesty. She is very attentive, incredibly sexy. Her English is pretty good, and now that she has a residency visa here in London, she's going to be here for a while! This is very good news.

The Story:

Narcissa was wearing black lace bra and panties, with hold up stockings and very high heels when she met me at the door. She had her full face on too, with those lovely smoky eyes, and she smelled wonderful. Deep and passionate kisses from the start. After shower, it was more of the same, and it was very sensual. She knows instinctive what speed to go and responded well to my touch. I can't describe her oral skills, they are out of this world. It's like putting your dick into a magic blow job machine. She ate it like a messy corn cob, and her tongue is incredible! Sex was enjoyed with her on top with those fantastic tits in my face. This woman can really ride!

I would strongly recommend her!
