### The Premises:

I had been to this flat many times before to see Holly (who is outcall only these days) so parked in my usual spot near the canal and walked the few minutes down to the junction then called the agency as requested for final instructions. Once the door opened and I was inside, Honey appeared from behind the door to welcome me, remove my shoes and take me upstairs to her room, where she assured me I would have a good time. Agreed to a shared bath very happily, which was freshly run with lots of suds. I then got a lovely sensual assisted bath, and a quick soapy bj, before being handed a towel and led back to the bedroom, which was immaculately clean and tidy.

### The Lady:

Honey is quite new to the agency, and one of the younger ones (mid twenties) as per my request to the agency. Quite petite, certainly in height, with a tidy body, fully shaved. She wasn't immediately recognisable to her photos, but became more obvious it was her as the visit developed.

### The Story:

Once I had dried off, Honey asked me to lie down on my front and I anticipated a massage as it was her job back in Thailand...but no, after a the briefest of requests to check I'd be happy, she proceeded to rim me with her tongue for a good 5 minutes! What a start! She was keen to learn my likes so ran through the usual preferences ie dfk, bj, body to body special, and cowgirl to finish. She was not really into lots of dfk as is common amongst thai ladies but we kissed often enough if more briefly than I had hoped - next time maybe. She then gave a great bj, before agreeing to my body to body special! She was nervous maybe reluctant at first, as she was entering unknown territory I think, but as she got into it, provided me with one of the best experiences I have had! I then offered to provide her some pussy play, which she was happy to receive using my tongue, but not inside with fingers (its a no for all customers, a hygiene thing). So I gave my best with my tongue and used my fingers wherever I did not meet resistance, and my god she got wet, and close to cumming I am sure! We then finished the session with cowgirl followed by CIM thanks to a final deep, fast bj to ensure I came in time for a nice shower before being sent on my way, very very satisfied! She may not be around beyond October so if you are tempted, pay a visit soon!
