### The Story:

Eden has many glowing reviews already (mainly with another agency) and this booking more than lived up to those reports. Her photos give pretty accurate indication of what to expect with addition of very alluring sultry look which can be quite mesmerizing. She is very fit - in both senses of word - and clearly keeps herself in great shape.

Started off with nice hugs, fondling and kissing before moving on down to engage in one of the longest most mind blowing OWO sessions I've ever experienced. Initially it was way too enthusiastic for me (am very sensitive) but after advising her on how I liked to be 'pleasured' she managed to 'tune into my sweet spots' perfectly, as they say. It was the combination of her fabulous soft red lips sucking top of shaft, deftly stroking my balls, shaft & base/top of thighs with her fingernails using both hands and giving you alluring eye contact all at same time. I've had some wonderful BJ's in my time but this really was exceptional and she just did not stop. Just like classic Duracell bunny. Even though I was in heaven with it all, I had to ask her to stop as I was getting muscle cramp in my legs as I was so tense.

After a break to get drink, have rest and massage to loosen up my legs, then got to grips with her fab body with lots of fondling and nuzzling her boobs, has incredibly erect nipples. Lots of snogging /general stroking and being hypnotised by her sultry sly look she gives you.

Offered to give me more OWO, just cannot refuse - just as sensational as before and prob just as long. Time was moving on so on with protection and its her riding me cowgirl, 'riding' being operative word. Couldn't try other position as have muscle injury which means doggy bit risky.

Was now ready to cum and as usual for me its by hand. She gave me one of best HJ's ever, full stroking with oils, tickling my balls with her nails and glancing at me with that sultry look - and in no time I was exploding.

Eden is clearly a very experienced fun lady who puts everything into making sure you have best time possible. Her oral technique is nothing short of sensational and if that's your thing doubt you'll find too many ladies around who could perform it any better. Highly recommended.
