The Premises:

Lovely place with free parking which is always good and generally easy to find a space. The place is always spotless and smells fresh. Shout out to the great Millie as always, she's always kept it clean and keeps it tidy, high standards haha. Love you Millie! you're a fucking legend. Showers are push type but fine for what you need and water is always warm which is nice.

The Lady:

Well well well, Isabel is another great addition to ego, fucking gorgeous come to bed eyes! Banging body and lovely sexy legs. Shaven pussy and smelt gorgeous. Instantly puts you at ease and is easy to chat to she seemed a bit shy at 1st but once I got talking and fuck me do i talk a lot she was fine and settled in. She is Romanian and speaks good English, guys she is a must see! She's about 5ft 4ish I'd say and has a lovely figure and is 24yrs old.

The Story:

As always I was doing my Hindu Mantras and prayers as I got shown to the room and then Isabel entered the room so I finished up and she asked what I was doing etc so I explained it all and she was very interested so she let me so a Hindu prayer over her aswell which was nice. She even done a Catholic prayer for me which was lovely of her, very interesting to hear in a foreign language! but nice nonetheless. Gave a lovely massage and let me massage her too which she liked. She gave plenty of tease and glided her oily body all over me with her lovely tits, she said they're too small but I told her they are fine and be grateful for what she has and be glad she is healthy to which she agreed. Gave a lovely wank and even gave me a wank with her feet which were lovely and smooth so felt amazing! Her feet were gorgeous an had lovely painted toenails. When I eventually shot my load she cleaned me up and had a cuddle with me and chatted about computer games which she actually liked as she is a gamer so thay took me by surprise and im not normally taken back by surprise haha. So we had a good chat about that and bang before u know it time was up so we showered and said our byes n hugs and a cheeky kiss etc and I was on my way. Lads, go and fucking see her, you won't be disappointed! Ciao, adios, that's me done!
