### The Premises:

As described in numerous other reviews.

### The Lady:

Mixy's profile on the HoD website describes her as being of mixed east Asian/Latin heritage, 30 something, 36D sized breasts, 1.58m tall and dress size 8 all of which seem entirely plausible to me. Additionally she's very attractive, slim, has a closely cropped pubic bush and speaks virtually fluent English with a slight accent.

### The Story:

I'm not in town much nowadays and I don't punt very often so when I do I want it to be a good one. I'd seen Mixy several times in the past and she has always provided a first class experience and luckily for me she was on the roster and available albeit for 30 minutes when I rang up to book at short notice.

Mixy was immaculately presented when she entered the room and within a few seconds we were in an embrace with her tongue wriggling in my mouth against my tongue exactly the way I like to do. This continued for a few minutes then she broke off to lick me firstly on the face then on the neck followed by the nipples before moving onto the most exquisite owo which included the scrotum and perineum. After a few minutes she asked whether I wanted to fuck but I was enjoying her oral ministrations so much that I didn't want it to end. A few minutes later she asked again whether I wanted to fuck but this time added the option whether I wanted to come in her mouth as an alternative. Still not wanting the owo to end, I opted for the latter. Mixy proceeded slowly and after a few minutes increased the tempo gradually until she brought me to a powerful and very satisfying climax.

And so concluded yet another wonderful experience at House of Divine. It's interesting to note that this was my first sexual activity of any description since starting new medication several weeks previously that had erectile dysfunction and loss of libido reported as side effects. Thanks to Mixy's skill and attributes, I didn't experience either.
