The Premises:

Kelly's place was very clean and in a great location in canaray wharf and was about 7 minutes walk from the station. I didn't drive but there are parking facilities in canary wharf. flat was very nice and the shower facilities were nice and had a clean fresh towel to was with.

The Lady:

Kelly is a beautiful Taiwanese girl about 5ft6 with a beautiful body and innocent but naughty demeanour about her. she was the girl in the photos so I was pleased on my arrival, although I did ask her to wear the same outfit in the photos on the site but she was wearing something else. She had great hygiene

The Story:

I was in London for a work trip that became quite stressful and wanted to have a little fun while I'm in in town. I love Asian ladies and thought I would treat myself so looked up asian girls in canary wharf and came across Kelly. I called up the agencies number and made the booking for an hour with her, the location is in one of the new builds in Canary wharf and Kelly came down to meet me and brought me up to her flat. I did ask her to wear the same outfit in the photos which was a bit disappointing at first but she apologised and said she didn't have it anymore- her English wasn't that great either so she might not have understood what I meant. Not the end of the world but the lingerie she was wearing wasn't as nice as the ones in her photos. I booked her for an hour and she was very sweet with a very innocent look but what a great time we had she was exactly how I like. Looks innocent but extremely naughty. Her oral skills were out of this world and the sex was equally good
