The Premises:

Safe parking round the back. Flat is dated but very tidy and functional. Two rooms are well mirrored and adult films playing. A drink is offered if you want one.

The Lady:

Diana is age 35 although I would have taken her for around late 20's. She is about 5'2" dark hair in a plait. Diana is extremely friendly and listens to what you prefer (likes and dislikes) I would say she has a sultry seat face with sexy lips. She has a body to die for. Size 10 dress and about a 34C boots.

The Story:

We discussed what I wanted and what I could afford. I originally went for the £25 for 15 minutes. But after seeing and chatting to Diana, I simply couldn't not resist staying for 30 minutes for GFE. Wow was I blown away, she started to undress and I slowed her down as I wanted to undress her. She went on all fours on the bed and started licking my nipples, moving down my body then licked all around my cock, then moved further to lick my balls. Oh wow I was in heaven. I released her tits and they are natural and firm she was now deep throating me (OWO). This is the best BJ I have ever had. I pulled down her panties and her pussy, looks so sweet and neat, with a little piercing. Not a favourite of mine but it does look cute and neat. I wanted to fuck her so badly. But her BJ skills were so good. I let her carry on sucking to finish me off. She would allow me to CIM but that is extra. In all my years of punting. Diana has to be right at the top girl I've ever been with. Along with JoJo at First Class. They have 2 spectacular girls here and at affordable prices too. Highly recommended thank you.
