The Story:

So I arrived and was greeted by auntie as she calls her lol.

She asked if I wanted a drink and was treated to an impeccable cup of tea

She came in and immediately said I haven't seen you since December

Where have you been. I was rather chuffed because I'm sure she sees loads of people so to remember our encounter I was like umm okay so she likes me lol.

Anyways she jumped straight to dfk, if you know Kris she loves a bit of dfk

Then to some amazing OWO

I loved every minute of it with a bit of ball juggling

It was so good I thought I have to oblige and return the favour.

So I proceed to take her on a journey to blissfulness lol

She said please stop it's too good

I'm going to come I want to feel you inside me ... I slowed it down catering to her every request and we got to the highs of euphoria

On with the sleeve and and we switched position with plenty of dfk

Finishing with doggy

Ass up face down

She was enjoying every stroke and so was I

She is a special person

Even after climaxing she was still cuddling me and kissing me non stop!
If you fancy someone that is good at what she does and loves a kiss
She is a your girl
Total GFE

Lads treat her well and with respect or you'll have me to answer to!!!!

Thank you Kris I promise I won't leave it that long again.
