The Premises:

A nice apartment which is about a 10 minute walk from Victoria Station. There was a bathroom for me to have a relaxing shower before we started the session.

The Lady:

Stunning eastern european lady - quite like her photos on the agency's website. Bright red hair and a cute face to boot.

The Story:

Started off with some lovely french kissing and then moved on to a blowjob.

We tried out all the common positions and ended with some good old fashioned doggying.

I'd highly recommend her to anyone. Not only for the sex but for amazing personality.
