The Premises:

Location was situated at the hub Mk. Lots of parking available and quite a busy area so you don't stick out like a sore thumb being there. The communal area to the block of flats is a bit basic but inside the flat was clean and modern and bunny's room was clean, fresh and welcoming

The Lady:

Bunny is a stunning pocket rocket ?????

She answered the door with a smile on her face and very inviting. She's charming, fun and down to earth - a very attractive woman

The Story:

After arriving I was lead into a bedroom and waited whilst Bunny had a shower and freshened up a bit. This felt like an age, but I was probably just excited to get her to myself after seeing how stunning she was on arrival.

When she entered the room she had a mini skirt on that was just very suggestive. She immediately started kissing me, she is an amazing kisser - I could have got carried away but as it was my first visit I didn't know the boundaries on how far I could take it, so I gently pushed her up against the wall grabbed her hot bum and proceeded to rub her clit and she was already wet. I did some fingering but could tell she didn't like it so I stopped and rubbed her clit again.

I got Bunny into the bed where we kissed some more, she took her top off and then asked if I wanted a bj with or without a condom - she sucked my dick to the point where I thought I was going to cum - she gave great eye contact, lots of smiles and hand and mouth action.

I then asked her to sit on me and ride me - she started off slow and I grabbed her hips to assist her but quickly took over and started fucking her hard with her on top. Watching her tits bouncing in front of my eyes and hearing her moan and losing her breath I was super turned on, I could feel her tight pussy clenching and her legs shaking.

I then went on top and we had sex in a few different positions with lots more kissing and her grabbing hold of me tight. I opted out doing any pussy licking but I'll be sure to try that next time as I was a bit apprehensive.

From seeing many escorts in my time Bunny is by far the best I've ever seen and it is hard for me to choose anyone else from anabellas even though they all look amazing.

After I came we kissed and laid next to each other both exhausted. Bunny was exceptional through the whole experience and left me satisfied for days!! One thing I do regret is asking for a fishnet outfit as this would have been the cherry on the cake - but there is no end to Bunny's sex appeal it didn't really matter in the moment
