The Premises:

Usual HOD location about 10 minutes walk from Victoria station and fairly discreet. Buzzed into the property promptly. Booked the day before and confirmed on the morning by telephone.

The Lady:

Absolutely stunning. Slim, tanned body with the softest of skin and curves in all the right places - lovely squeezable arse. Very kissable lips and eyes you could get lost in.

The Story:

Having arrived 5 minutes early, I got to play a bit of room bingo, being shuffled from the lounge, to the bathroom, moved to the kitchen and then to the boudoir. Obviously a busy time of day, but didn't mind as it sort of added to the anticipation.

Offered a glass of water whilst waiting. Shoes and socks off, with the paperwork and small gift left on the bedside table. Eden entered the room bang on time. Paperwork checked and then straight down to business having barely had a chance to compliment her amazing body. What followed was a heavenly half hour with plenty of DFK, OWO, RO and rimming (no sex - my choice). Plenty of very complimentary dirty talk too - Eden has an amazingly sexy voice - and I could squeeze that arse all day long.

I cannot recommend Eden enough. Absolutely stunning and the consummate professional. My only regret was not booking a full hour with Eden - I will next time...
