The Premises:

Nice clean building, smelt of a variety of cleaning products. Directed to a small ensuite room, which included a handy mirror on the wall.

The Lady:

Absolutely stunning. Big titties, big arse and slim.

The Story:

I stepped through the front door of the building after being greeted by a lovely maid on the door. She directed me to our room and asked me to shower and get ready for Kyle. I was excited to meet her and for the massage to begin. She was very friendly and began chatting away, making me feel very comfortable and like I was a regular client of hers. She used her hands to rub oil all over me and gently massaged me whilst chatting. It felt lovely. She then removed all of her clothes whilst I was distracted in the conversation and revealed her sensational naked body. I won't go into detail but the rest of my time with Kyle was fantastic! And I'm so glad I made the hour long trip over to 'Ego-Massage'. I left the building with an incredible ego boost and look forward to visiting again in the future.
