The Premises:

Cheshire Elite, formerly Excel Sauna, is clean. A little bit more traffic than normal on the rear because of the new barber downstairs who use the rear door for access and keep it open when the barber is open. Also can be odd when two punters go up the steps on the back. The receptionist, one of the owner's today, was a pleasure and we had a nice chat before going into the room. The shower, today, was working but one of the main complaints is that the showers - bar one - is not 100% working but, as the owner advised, it's something due to the layout. Rooms are clean and bigger than some of the other parlour's in Crewe and, with the heat nowadays, cooler than most. (Except today where it was a littler hotter than most - it kind of made me miss Brooklynn's with their A/C units - and, if so, the small room is not the best).

The Lady:

Late 20's, Stacey hails from the West Midlands. Sporting a full figure, Stacey is pretty easy going. Based on the website pics, and sporting a blonde bob today, she advises she changes up her hair and she's, from I gather, pretty versatile on many things. Opting for a GFE for £20, Stacy seemed pretty down for most things except for biting like parts of her body and fingers inside her and likes receiving oral.

The Story:

It was nice but, compared to some of the other ladies like Ashleigh or Veronnica at Cheshire Elite, it was surprisingly average. There was no complaints and she seemed to be quite responsive. Maybe the session needed to be a bit longer or another session is required but I found conversation with her more interesting. Based on the reviews on the website, Stacy could be quite a live spark in the right situation but maybe another session is required.
