The Premises:

Great parlor, friendly welcome, clean and well appointed rooms - needs bigger towels!

The Lady:

Well usually if you want a naturally busty girl then you have to put up with them being overweight. Mandi is clearly the exception to the rule with a great natural body and actually smaller than the photos suggest. A pretty blonde haired lady

The Story:

Mandi came in the room wearing a dress, I gave her a kiss and agreed to a massage which was enjoyable. Off came her dress and the rule of no fingers and gentle with the nipples. Some good oral followed and then I offered to return the favour which was refused - I'm a giver? Some good sex followed although Mandi suffers from serious condom anxiety. Now ladies they have spent millions on research to make them catch everything and stay on without you constantly checking with you hand and then trying to get me out as soon as you can. Had an enjoyable time, I like a bit more intimacy so probably wouldn't return but you should visit and enjoy some time with a lovely lady
