The Premises:

Smart new premises just off the main road through Fenny Stratford.
Got given a very large nicely furnished room with both a bed and sofa in it.

The Lady:

In my opinion Anya is absolutely gorgeous. Very pretty, which I told her, which was appreciated. Long dark hair, gorgeous figure with, for me, perfectly sized breasts, and no tattoos or piercings, both of which I'm not keen on.

The Story:

Took advantage of the evening discount offer. Anya was friendly right from the off. Offered a massage to start with, which I declined. She asked me what I liked, which is pretty vanilla actually, and said she appreciated that I asked if fingering was allowed, which it isn't, rather than just lunging straight in.

OWO was very nice, not too deep, and varied speed.

Returned the favour, then cowgirl, kneeling missionary on the sofa, doggy and then finally missionary on the bed until I came.

She was happy to kiss throughout, although only lips, which I didn't mind.

This was only my second punt since the pandemic, and the first one, last autumn, was one to forget.

Anya restored my faith in punting, and I can't wait to visit her again.
