The Premises:

Nice free car park which is a bonus generally easy to get a space too. Inside of the building is spotless and always smells nice and fresh, Millie runs a well oiled ship, shout out to you Millie what a fucking legend you are, love you lots. Showers are nice and warm and they have been repaired now so they work fine. All the maids are lovely and friendly and always make you feel so welcome which makes a big difference.

The Lady:

Really really down to earth lady, soo easy to chat too and has a right cackle of a laugh haha, she was lovely and has a banging body considering she said she has had two kids other mums must think she's taking the piss as her body is in good shape. She's around 5ft 5/6" and her photos are a good match. A definite must see lads especially if you're a bit shy or find it a bit uncomfortable when seeing people you don't know, she'll make u right at home, also had a Nottingham accent incase you wondering what she sounds like.

The Story:

As usual I was doing my prayers and then Mia walked in, she did ask what I was doing so I explained it all as per and she was fascinated by all of it and wanted a Hindu prayer doing over her too to which I did of course. We then had a cuddle n a cheeky kiss on the cheek and she began the massage, lovely touch with slightly rough hands which made a nice change and felt lovely on my dick. Body to body was nice as she smelt gorgeous too and her pussy was shaven so having that rubbed over my body felt lovely too. I offered to massage her too which she said yes so I massaged her all over which was nice and she said I was an expert and she felt so relaxed, we then swapped again and she gave me a lovely foot wank with her gorgeous feet which had lovely French toenails after that she grabbed my dick and started to wank me off and as was doing that she spoke so dirty and was swearing whilst doing it which was a huge turn on for me and then bang I exploded like the atom bomb and said wank you very much to her to which she giggled and found that very funny, don't steal my one liners Mia haha. All in all a fucking lovely girl, friendly and good massage so can't complain. One to keep at ego massage Millie!
