The Premises:

Usual car park off Denmark Street, free parking and always get a space which is good. Premises are spik an span and the premises always smells so fresh thanks to the great Millie who is meticulous at cleaning and doesn't like mess. Millie is lovely and is a fucking legend in my book, love you lots Millie! Keep up the good work haha.

The Lady:

Well, fuck me! Khloe has the body of a Goddess! Fucking hell, where this one has been hiding Lord only knows. She's an absolute babe, sort of a love island girl and that's no exaggeration lads! 10/10. Still have a hard dick now hahahaha. She has legs up to her arse and stands around 5ft 11/ 6ft I'd say, English rose, I'd say she's around 25-30 I hate guessing women's age but looks stunning, fuck me Millie you've hit the jackpot finding this one. Her photos are accurate in terms of body and her face is beautiful with a lovely cheek piercing which was nice. Eyes that make u go weak at the knees.

The Story:

We was running late at ego so got in about 15mins later than expected but Khloe said she will give me the 45mins I had booked which was nice of her. Gave a superb massage and her skin is soo soft she's like a 6ft baby haha. Her massage and body to body is AMAZING, her pussy felt so nice too I was loving my life, she's so lovely to chat too aswell had a really nice time and the convo felt genuine and not small talk which is normally generic haha. She's from Bedford so that gives u an idea of her accent lads. I also gave her a rub which she said was lovely as she'd been on her feet all day and said she needed that. Once I was on my back she gave me a foot wank and played with my knob with her gorgeous feet then fuck me she got to work and starting wanking my rock hard dick which she said was big, thanks babe, then eventually I exploded all over her which she enjoyed, she cleaned me up and then we had a nice cuddle on the bed before I had to shower. Whilst cuddling we both wanted to go sleep haha but obviously she had a client so I showered and got changed and then was on my way. Lads, this girl is a MUST see you will not be disappointed if u like real hot stunning young ladies she is the one. Thank you so much Khloe for a lovely time. I will take u to see the Ninja turtles if you still up for it HAHAAHAHA. If you know, you know. God bless you Khloe, hopefully I can see you again in the not so long future. She's a keeper Millie, a real

gem at ego.
