The Lady:

The pictures of Morgan on Annabella's site are great. Seeing her in person absolutely blew me away. She has a beautiful face, soft, smooth skin, and of course a great pair of huge, natural breasts. The description on Annabella's is accurate, and she is delightful company.

The Story:

I'd met Morgan a few years ago for a brief visit, and at the time I wished it was longer. Well, an opportunity presented itself this week and I spent an hour with her. I'll keep it brief but leave in the important parts: I arrived and was welcomed in by Morgan and waited in the room for a few minutes. She came in, and I felt like I'd won the lottery. I was drawn to her gorgeous curves, and her very pretty face. We started chatting and she put me straight at ease, almost like old friends meeting up.

Onto business. She started removing my clothes whilst kissing me enthusiastically, caressing my cock every now and then while she was doing it. She offered for me to take off her bra, which I did, and I had a good play with her incredible tits. I've seriously never held boobs better than hers! I told her I wanted to take it slow, try to last the hour, and she agreed, and said I should let her know if she's going too fast.

We moved on to the bed, and here's where things ramped up. After playing with my nipples with her tongue, and some more kissing, she went down on me and caressed my cock with her mouth and fingers. This is the moment I knew I'd made a good choice. I've never had such an attentive, enthusiastic blow job in my life. It was gentle, she was definitely being careful not to make me cum immediately, but it felt heavenly, and she perfectly slowed the pace a few times when I thought I was going to finish. Skip to the 30ish minute mark, I can't take the amazing teasing any more and I ejaculate, it's intense and stronger than most that I've had.

We chill out for a while, Morgan offered me a massage, which I accepted, and we chatted while she

did this. After a few minutes, she asked me to turn over, and she started paying attention to my member again, quickly getting him to attention. In my experience, I haven't often had 2 orgasms in short succession, but this is Morgan. She is an expert at reading where I'm at and how I'm doing. She happily gives me another session of oral and a masterful handjob, and far quicker than I expected, I came again, and it was just as intense and incredible as the first time.

I can honestly say, hands down, this is the best punt I've ever had, probably the best sexual experience I've ever had. Morgan is a master at work, not to be missed, and I will definitely be seeing her again.
