The Lady:

Very cute. Pictures on site mostly accurate, a bit curvier in real life (a good thing!). Nice big tits and a pretty face.

The Story:

Started with a welcoming DFK before she undressed me and took me into shower. Soaped me up and made sure she hit every nook and cranny. Before we left shower got a quick bit of deep throat which gave a good sense of what was about to come. Back in the room, more oral while I was standing before getting on bed. OWO technique was great. So great in fact I had to stop her because I was at risk of ending it too soon. Got a great massage which ended with her rimming me for what seemed like ages, getting her tongue deep. Then on with the sex. Went for missionary and her riding me and I came pretty fast. Relaxed with head and shoulder massage before she started playing with me to the point where I was ready for round two which ended with another great BJ before I finished in her mouth. Last shower before she dressed me and sent me on my way. A brilliant hour spent with a lovely person. I will be back.
