The Lady:

Isabel is out of this world sexy with the most perfect body. Being my first time i was a little nervous but she put me at ease straight away and she has the most amazing touch.

The Story:

I was shown straight to the room which I liked no messing around like some places. I had a shower and once I had finished Isabel had arrived. She looked every bit as good as her pictures and with a soft friendly voice she really is incredible. I laid on my front to start and she gave me a nice massage on my back and my legs before asking if I wanted to turn over. I turned over and before I knew it the soldier was stood to attention thanks to her amazing gentle touch. She really does know exactly how to please and before I knew it she had finished me. You really do need to see to believe just how good Isabel is. Go and pay her a visit you will not be disappointed.
