The Lady:

Lizzie is a Romanian hottie. Tall, modelesque, legs for ever, and what an ass! More peachy than the peach itself! Her slender frame is iconic. I particularly love her long hair; she can do hair commercials. Lovely personality too. You can't ask for more.

The Story:

Wanted to meet Lizzie again for quite some time, but our schedule never worked as she travels a lot. I was delighted that I finally managed to make it.

She entered the room with a bright green lingerie that accentuated her body. Wow is my first reaction! She looked like a star! I started by worshipping her body all over. The feeling of touching and kissing these legs and ass is just amazing! Then straight into kissing and cuddling. With our bodies entangled on the bed, I exploded in no time.

Needed a bit of rest to recover my energy. We had a lovely conversation, and I just liked her smile and sense of humor. We got at it again and it was even better.

Lizzie is a top companion that never fails to deliver. I had an incredible time. Will definitely come back for more.
