The Lady:

Rebecca is the ultimate Brazilian babe! If you're into Brazilians, look no further. What a body!!

Incredible curves!! A true woman!

Pretty and friendly too. Incredibly sexy! Just wow!

The Story:

A man's dream is to sleep on a body like Rebecca's. I had the honor before, and kept fantasizing about it, but she rarely comes to London as she's based in Milton Keynes. Nowadays, she works in London once a week, and I wouldn't miss that. HOD gave me a £10 voucher too, which is cool.

She entered the room with a nice smile and recognized me. Then she started dancing to ease the atmosphere. I couldn't help but kiss her deeply, until the moment came. We lied on the bed, rolling body to body; my fantasy. What a feeling! Then oral, but I was done well before! It was less than 5 minutes!

Then, I couldn't help but worship her body; her bottom part in particular is so nicely shaped, very sexy! Boobs are perfect size for her frame as well. Face is pretty, and hair dark and silky. Naturally, I stayed hard all the time. She also gave me a nice massage in the last 10 minutes. Throughout, we kept chatting, and what a lovely and fun person she is. Always eager to please.

Had an incredible time with Rebecca. Hottest Latina in London!!
