The Lady:

Mata has always looked so much better than her pictures, I've seen her a number of times now, and she is my "go to Thai girl" in London. A fabulous body, very natural looking even though her breasts are enhanced I think. She has some lovely curves, yet she is still slim. Her face is stunning and her smile is amazing. She always ensures that she looks her very best too, and really makes an effort. Her English is not perfect, but it's getting better. Her personality is warm and friendly, and she does everything in her power to ensure that she makes her clients feel amazing.

The Story:

Like a number of times before, I get the usual kind of service from Mata. OWO, sometimes sex and always CIM. This time was no different, yet she still finds a way to make it seem as though it's the first time I've seen her. Blowjob in front of the mirror, followed by her on her knees and me sitting on the edge of the bed so I can reach down and play with her nice big tits. Her OWO is outstanding for a small Asian girl, and she really can get it all in! And that's saying something, because I'm quite long! I knew I wasn't going to go two rounds, so I just laid back and let her do her thing with her lovely mouth, and ended up with very intense CIM. She takes every last drop. A wonderful massage afterwards and some more cuddling and kissing. Given more time, I'd have probably done more, but I know I'll be back!
